Payment of Accounts (WBU Campus)

All charges for tuition, fees, and room and board are due in full at the beginning of each semester. Students unable to pay the full balance at the time of registration must make satisfactory arrangements for payment with the Business Office. A deferred payment plan for WBU campus students is available if necessary, with a down payment of one-fourth of the total bill, due and payable at registration. The balance will be divided into three equal payments, with the three installments due at approximately monthly intervals. Due dates will be October 10, November 10, and December 1, for the fall semester, and February 10, March 10, and April 10 for the spring semester. A finance charge at the rate of .833% per month will be levied on any unpaid balance. (All charges for “online” classes must be paid prior to the start of class.)

Security deposits and family housing rent cannot be included in the deferred payment plan.

Any student who is delinquent in payments to the University is subject to dismissal. A student may take no final examinations in any semester unless the student's account is

settled before examinations begin; nor may the student obtain a transcript or enroll for another semester until all accounts are settled. Accounts can be paid by cashier’s check, money order, or credit card (VISA, MasterCard, AMEX or Discover). Personal checks will be accepted; however, should this form of payment be made, transcripts will be placed on hold for fifteen business days. Payment can also be made online via the WBU homepage by clicking on the tab *Business Office* under the heading *Current Students*. All accounts must be paid in order to graduate.

Refunds or Payment Due

Withdrawal from the University. A student who officially withdraws from the University will be notified at the time of withdrawal as to whether further payments are due the University or whether a refund is due the student. **The official withdrawal procedure begins in the Registrar’s office.** The rate of refund will be as follows:

<u>Withdrawal during</u>	<u>Payment Due</u>	<u>Refund Due</u>
First week	20% due	80% due
Second week	30% due	70% due
Third week	40% due	60% due
Fourth week	60% due	40% due
Fifth week	80% due	20% due
After fifth week	Pro rata refund of unused cafeteria services only.	

Should the student fail to officially withdraw, all semester charges will become immediately due and payable. Under no circumstance will a transcript be issued without full payment of any and all account balances.

Institutional Scholarship Assistance Policy Relating to Withdrawal from the University. If a student withdraws from the University, regardless of the reason, then the student’s institutional assistance will be prorated according to the same schedule used to refund tuition.

Federal Financial Assistance Policy Relating to Withdrawal from University. The following procedure will be used to determine the percentage of federal financial aid, which may be applied to the student’s account, and the percentage which must be returned to the Federal Financial Aid (Title IV) Programs. The percentage of the Federal Financial Aid Package which may be applied to the student’s account is as follows:

$$\begin{aligned}
 & \text{The total number of calendar days completed (last date of class attendance)} \\
 & \div \text{The total number of calendar days in the semester} \\
 & = \text{Total Percentage of Enrollment}
 \end{aligned}$$

The above percentage will be used to calculate the amount the student has earned in his or her Financial Aid package. Federal financial aid packages (such as Pell and loans) must be applied to the student’s account prior to withdrawal before they can be included in the percentage earned. If the student withdrawal occurs after the 60 percent point, the student will have 100 percent of his or her federal financial aid package applied to his or her account. If the student received a Federal Direct Loan while at Williams, they must also complete Exit Loan Counseling when withdrawing from the University. The form is available at www.studentloans.gov.

If, after a student withdraws, they decide to return to Williams, they must write a letter to the Financial Aid Committee explaining: 1) why they withdrew; 2) their plan of action to resolve the issues pertaining to their initial withdrawal; and 3) how their initial withdrawal will not disrupt their timely progress toward a Williams degree. Letters can be mailed to the Financial Aid Office, Box 3734, Walnut Ridge, AR 72476.

Tuition Refunds for Withdrawal from a Class. Withdrawal from a class during the first five weeks of a semester may result in a partial refund or reduction of tuition charges. The reduction or refund rate will be the same as stated above in the Withdrawal from the University section. The official withdrawal procedure begins in the Registrar's Office.

Federal Financial Assistance Policy Relating to Withdrawal from a Class. Withdrawal from a class during the first five weeks of school may result in a reduction in a student's Financial Aid Package. Reducing the course load below 12 hours will result in a reduction of the Pell grant and loss of all institutional, state and other scholarships and grants.

Refund of Credit Balances. In the event a combination of grants, loans, and/or payments creates a credit balance to the student's account, the business office will refund the credit balance to the student by means of a check. The refund check will be held in the cashier's office for pick up.

Refund of Security Deposits. One-third of the security deposit is refundable only after the premises have been vacated, inspected, charges for any damage have been assessed, and all accounts have been cleared, and a formal written refund request has been made. The remaining balance of the security deposit is used for maintenance of the facility in preparation for new residents. Requests for *Residence Hall Security Deposits* and *Family Housing Deposits* must be made in writing to the Office of Student Affairs. If a written request is not made within 6 months of vacating, it will be assumed the refundable deposit amount is being donated to Williams Baptist University. The refundable deposit will be placed in the Scholarship Fund.

Special Assessments

The University reserves the right to make special assessments.

Student Financial Assistance

A college education is one of the most important investments a person can make, but the cost of higher education is increasing, making it difficult for many students to attend. During the most recent year, 99 percent of the WBU student body received some form of financial aid. The following information is designed to show various avenues of financial assistance available at Williams.

Anyone receiving financial aid will receive an award letter that lists sources of aid, amounts, and conditions governing these awards. Scholarships, grants, and loans are normally applied to the student's account at the beginning of each semester, provided all the necessary documents are accurate and on file. (Awards from employment are only received after the student has worked the hours designated.) These documents would include, but are not limited to, the Free Application for Federal Student Aid (FAFSA), documentation of income (such as 1040 tax transcript, Social Security letter, non-taxable income form, Veteran's Administration award letter), and Selective Service Draft Registration Acknowledgment. Fulfillment of specified citizenship requirements and demonstrated financial need are also requirements for the federal financial aid programs.

Determination of Need

Williams uses the Free Application for Federal Student Aid (FAFSA) to determine the financial need of each student. This application must be submitted to the Financial Aid Office to assess properly a student's need and provide adequate financial assistance. The application becomes part of the student's financial aid file. The FAFSA form may be filled out on-line at <http://www.fafsa.ed.gov>. Paper applications are also available at most high schools or by contacting the Financial Aid Office at Williams.

The following regulations govern the awarding of aid:

1. The student must meet all admission requirements to attend Williams.
2. The student must be attending Williams on at least a half-time basis. (Certain aid requires full time enrollment.)
3. The student must observe all University regulations governing social and academic life.
4. Financial assistance is renewable each semester provided the appropriate requirements are met.
5. Williams reserves the right to cancel any aid if the student does not show satisfactory academic progress or does not fulfill obligations to the University as specified as a condition of the aid.
6. Williams reserves the right to adjust any financial aid awards depending on the availability of federal, state, institutional, and/or restricted funds. Adjustments may also be necessary to prevent over-awards.
7. All institutional and private scholarships may be revoked if the student does not satisfactorily discharge their financial obligations to the University.
8. All applications should be filed in the Financial Aid Office by the time of registration each semester.
9. A student cannot be in default on a Perkins Student Loan (formerly National Direct Student Loan) or Stafford Student Loan or owe a refund on a Pell Grant or Supplemental Educational Opportunity Grant and receive financial aid.

Williams has set a priority date of May 1 for awarding financial aid for the fall semester.

Standard of Satisfactory Academic Progress to Maintain Financial Eligibility

The Federal Higher Education Amendments of 1976 require the University to define and enforce standards for Satisfactory Academic Progress. Students receiving financial aid from federal, state, private, and institutional sources must conform to the University's definition of satisfactory progress. The guidelines are established to encourage the student to successfully complete courses for which aid is received. To receive financial assistance, a student must be enrolled as a regular student in an eligible program. A regular student is defined as one who enrolls in 6 or more hours in an eligible program for the purpose of obtaining a degree, certificate, or credits in a transfer program. Students must complete requirements within a reasonable length of time and maintain a minimum cumulative grade point average.

Eligibility for Financial Aid is generally limited to one and one-half times the published time frame to complete the academic program. Example: Students enrolled in

a four-year degree program will be allowed to receive Financial Aid up to 6 years. Students attending less than full time will have required credits earned prorated and their length of eligibility extended respectively.

Students enrolled full-time must maintain and successfully complete each academic year with the following respective credit hours earned and cumulative grade point average.

First Year	18	1.25 CGPA
Second Year	39	1.65 CGPA
Third Year	60	2.00 CGPA
Fourth Year	81	2.00 CGPA
Fifth Year	105	2.00 CGPA
Sixth Year	129	2.00 CGPA

Successful completion is defined as earning A, B, C, or D on course work. I or W received on course work will be used in determining hours attempted for the semester. Student enrolled less than full-time must earn at least 75% of the credits they attempt.

Satisfactory academic progress will be reviewed once a year, at the end of the spring term. Scholarship requirements are reviewed each year according to the renewal guidelines of the respective scholarships. Progress of students not maintaining the minimum academic levels as described in the above chart will be evaluated by the Financial Aid Director.

Students who do not meet the above requirements will be notified in writing that their financial aid has been denied. Students are given an option to appeal to the Financial Aid Committee. This appeal must be made in writing and must include (1) what caused their work to fall below acceptable standards (be specific), (2) plan of action to resolve the cause for the circumstance and explain how it will not cause problems in the future. After a student's appeal has been approved, the student will be placed on *Financial Aid Probation* and will be evaluated at the end of the following semester. If the student fails to meet the academic progressive policy requirement after the semester of *Financial Aid Probation*, the student will no longer be making satisfactory academic progress and will not be eligible to receive federal, state, or Institutional aid. The decision of the Financial Aid Committee is final in appeal matters.

If the student does not make satisfactory academic progress and is suspended from receiving Financial Aid, the student may reapply for financial aid after having made sufficient academic progress to satisfy the terms of the stated policy. A student may be paid for the payment period in which he or she regains satisfactory progress, but not for any payment periods in which the student did not meet the standards.

The summer term may be used to make up hours dropped during the fall or spring terms and will be included as part of the prior academic year. Students making up hours will not be eligible for Financial Aid during this period.

Students placed on Financial Aid denial may appeal the denial if they feel that mitigating circumstances prevented them from making satisfactory progress. This appeal must be made in writing and must include the reason(s) minimum academic requirements were not met and the reason(s) why financial aid should not be terminated. After review of the appeal by the Financial Aid Committee, the student will be advised of the decision.

Scholarships

There are two types of scholarships, private and institutional.

Institutional/Private Scholarship Guidelines

Funds for these scholarships are provided by the institution, churches, individuals, and/or other concerned groups. Guidelines for these scholarships are described below:

1. Anyone who receives the benefits of an institutional or private scholarship administered by the University is expected to maintain a sympathetic and cooperative attitude toward the purpose and policies of Williams.
2. Students who enter into their second disciplinary offense in one semester forfeit institutional and/or private scholarships immediately and become ineligible for institutional/private scholarships for the following semester. Future eligibility will be determined on an individual basis by the Financial Aid Committee.
3. In the event of withdrawal, dismissal, or a reduction in course load to less than 12 semester hours that student forfeits institutional and/or private scholarship for the current semester. In certain situations, scholarship benefits may be prorated.
4. If a student withdraws voluntarily from an activity for which he/she is receiving scholarship assistance, or if the student is dismissed for disciplinary reasons, then his/her scholarship assistance will be discounted on a prorated basis.
5. The amount of the institutional/private scholarship may not exceed the student's direct college cost which includes tuition, fees, room, board, and books charged to the student's account.
6. No student may receive institutional/private scholarship funds for more than eight semesters or after a bachelor's degree is earned.
7. International students are eligible to apply for academic and athletic scholarships.
8. All scholarships are subject to availability and there are a limited number of scholarships in each category. Early application is encouraged.
